George, I think it would be good to pursue being a broker/ dealer as well.
I trust that like me, you too see plenty of upside there.

Hard to communicate by email some times. So to be clear. I did not know what you meant by designated person. So I asked. When you used blx and SportBLX interchangeably, I wasn't sure what you meant. Then I didn't understand why you said ask my attorney. They were all questions
So we think it's a good idea for you to disclose who the beneficial owners are. We always assumed it was you but we see now that may not be the case. As far as FINRa, as you know we withdrew our application and changed our business plan to a technology model as we discussed in many meetings. Are you suggesting something else?
